Short Description of Yourself and Your Aspirations:

My name is Latunji Benedict Korede. Born on the 13th of April, 1993 and raised in the City of Lagos, by The Latunji's which comprises of eight(8); My Father, (Mr.) Latunji Lordsday Latunbosun, Mother (Mrs.) Latunji Mobolaji, and siblings Olaolu, Wole, Abiola, Faith and Favour.

I studied in Krisbthel College in Akinogun, Lagos. I am a trained marketer of Express Groups Ltd, in which I sell goods like Air freshner, Insecticide and many more, having at least three (3) years of practical experience.

I am talented in artistic drawings, in which I am very passionate about and would be very glad to present some of my drawings to you.

My goal in life is to get the best knowledge out of life academically, morally, spiritually and enterprisingly so as to convert them into pragmatic ideas to solve some problems in our economy and to help some of the less privileged, and also bringing out the best of my artistic talent for entertainment and education.

If I would say anything about life is 'Be yourself' and to use the little you have to get the best you don't have.
